OSA-3304-63

MEMORANDUM FOR: Chief, Technical Services Division, DD/P

ATTENTION : Engineering Branch

SUBJECT : Survival Weapons

1. It is requested that you select a scope-mounted pistol with attached folding stock for use as a survival weapon. Special attention should be given to reliability, accuracy, and light weight.

2. Two prototypes are desired for field tests. If found acceptable, a requirement for an additional fifteen weapons is anticipated.
